181	Codexia	asset management, coating industry, coating line, corrosion prevention, field inspection services, infrastructure assets	Bayport/BO	Other Commercial Services	Acquired/Merged (CP)	2004	40	Santa Clara, CA	www.cdxco.com	Provider of field repair parts and living coating inspection services intended to prevent corrosion of critical infrastructure assets. The company specializes in implementing inspections, precise surveys and advanced testing for a range of end markets, including water, wastewater, transportation, marine, and defense, enabling customers to avoid expensive replacements, maintenance, or structural failures.
182	Codexia	at development, ap development, data science, digital advisory, e sourcing, machine learning, mobile application development, product dev...	upgrade	Consulting Services (B2B)	Privately held (no bec...	2018	14	Odesa, Ukraine	codexia.com	Developer of custom software for maritime and land logistics companies. Codexia offers full-cycle development of web, desktop, and mobile applications, as well as services in data science, integration, and digital advisory. The company has developed four own products and created special software for the shipping, freight forwarder, and survey companies. They also offer modular systems of micro-applications and API integration. Codexia provides IT and SCM expertise to help clients achieve their digital transformation goals, focusing on customer experience and efficiency. They work with partners to provide complex logistics solutions and legal services.
