 Performance Score

56.3 

 Capital Call Speed Score

50.2 

 Distribution Speed Score

50.4 

★ indicates a high degree and persistence of the outperformance of a fund family. Only the Fund Families with a performance score of '70' or above are awarded.

Speed Scores are a measurement of the relative quickness of a fund family's cash flows, representing how much faster (high scores), or slower (low scores) capital was distributed or contributed compared to its benchmark.

Methodology Data as of: **2025 Q4**

PitchBook Benchmark: Vintage: 2024; Access Point: Primary Fund; Fund Category: Private Equity;

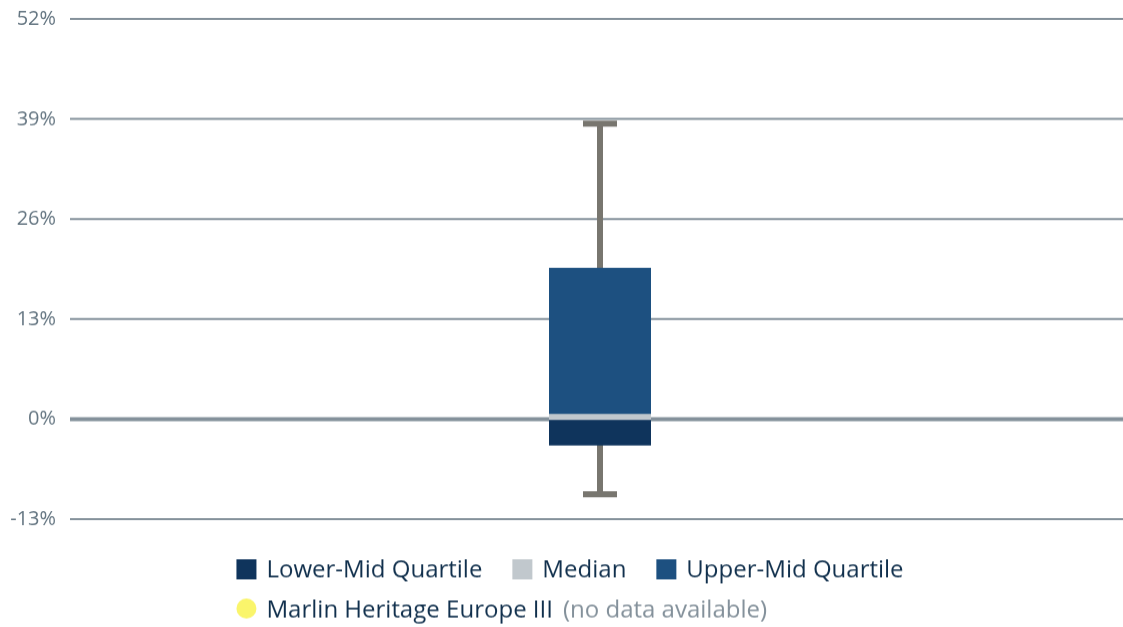

Fund Location: Europe; Fund Size: \$1B+;

These median calculations are based on the constituent funds listed below. Quartiles require ≥ 4 funds and deciles ≥ 10 funds to display. Data Pull Forward: Due to a lag in reporting for some funds and liquidation causing older funds to cease reporting, we will pull forward cash multiples and IRR from previous quarters under certain circumstances. Values that are pulled forward from a prior quarter are marked with a superscript 'F'. **See Benchmarking**
