**PitchBook Benchmark:** **Vintage:** 2019; **Access Point:** Primary Fund; **Fund Category:** Private Debt;

**Fund Location:** Europe; **Fund Size:** All Sizes;

These median calculations are based on the constituent funds listed below. Quartiles require  $\geq 4$  funds and deciles  $\geq 10$  funds to display. Data Pull Forward: Due to a lag in reporting for some funds and liquidation causing older funds to cease reporting, we will pull forward cash multiples and IRR from previous quarters under certain circumstances. Values that are pulled forward from a prior quarter are marked with a superscript 'F'. **See Benchmarking**

**Fund Location:** Europe; **Fund Size:** All Sizes;  
These median calculations are based on the constituent funds listed below. Quartiles require  $\geq 4$  funds and deciles  $\geq 10$  funds to display. Data Pull Forward: Due to a lag in reporting for some funds and liquidation causing older funds to cease reporting, we will pull forward cash multiples and IRR from previous quarters under certain circumstances. Values that are pulled forward from a prior quarter are marked with a superscript 'F'. **See Benchmarking Methodology**
